

10 reasons you'll ❤️ this benefit

Your current and future health matters, and we're here to support it. Take a look at these 10 reasons why our product might just become something you truly value and benefit from.

- 1 3-in-1 Benefit:** Peace of mind that a single benefit is designed to help to prevent, diagnose, and treat diseases based on your personal health, family history, and DNA.
- 2 Easy to Follow Health Actions:** Get specific, easy-to-understand actions for what to do next, so you're never without a health and wellness plan.
- 3 Identifying Health Risks:** Understand your risks for certain diseases, like cancer and heart disease, through access to the Genetic Health Screen.
- 4 Know Your Unique Drug Response:** Learn how your DNA affects your response to medicines, enabling your care team to personalize your prescriptions.
- 5 Family Planning:** If you are at the stage in life when you are planning a family, the Carrier Screening Test can help inform your family planning decisions.
- 6 Personal Navigation:** Access to a navigation team who can help you understand your test results, care options, and health actions to take when navigating your health.
- 7 Health Screening Reminders:** To keep you on track, receive reminders for important health screenings personalized to your individual health risks.
- 8 Actionable Diseases:** The diseases screened have medical interventions available to reduce their impact or identify them as early as possible, when they are most treatable.
- 9 Expert Cancer Support:** Get access to 1-on-1 expert cancer navigators and advanced cancer resources to help ensure the highest level of care is received.
- 10 Support All the Way:** We've got your back from start to finish, helping you and your care team through every step of your health journey.
